PJC 2025 AGM Agenda

28th April 2026

Venue: Hilsea Rugby Club, Norway Road, Portsmouth PO3 5EP Time: 7.00 pm

AGENDA

1. **Welcome address from the Chairperson**

2. **Approval of minutes of previous AGM**

3. **Chairperson's Report**

4. **Treasurer's Report and Accounts**

5. **Motions**
   1. Nomination for Life Membership to be awarded to Davina Glading. Nominated by Sue Hyson, seconded by Pete Birch and endorsed by the Committee.
      "in recognition of her 13 years as membership secretary and her years of leading the GSR water station and her support and linking us to the club in SA."

   2. Adoption of updated PJC Constitution. The updates are to bring the constitution in line with GDPR and EA's rules on leading groups. It has also been restructured to remove some duplication and clarify some areas.

   3. Charity Request (£250) from Ben Thompson. I would like to nominate the League of Friends at Queen Alexandra Hospital for a charitable award from the club. As you know, I was recently diagnosed with cancer. This was devastating in many ways. During my long stay in Hospital the League of Friends became a welcome place of sanctuary and calm within the hustle and bustle of the hospital. The staff were friendly and compassionate which was very welcome. The prices were significantly cheaper than other shops, which makes a lot of difference. Their service is an essential part of the hospital, moreso than other services within the hospital for all the reasons above and more. The donation will allow them to continue their services. The tea is also amazing!!

   4. Charity Request (£250) from Tony Quinn - I would like to nominate Two Saints Portsmouth for a charitable donation by PJC. They are a locally based charity supporting homelessness in the city. Their services amongst others include outreach for rough sleepers, supported accommodation, day centres and community support. Like many charities they find it increasingly difficult to provide much needed services without the support of donations and I would like them to be considered for a charitable donation this year.

   5. Charity Request (£250) from Kirsty Whitton - Please could we nominate Diabetes UK. The reason for this is because Shannon's Dad sadly passed away in January. He lived with type 1 diabetes, which ultimately led to kidney and heart failure which sadly took his life. Seeing first hand how challenging the condition was for him and the family, and the subsiquent health challenges that came as a result of the diabetes is the reason we would like to nominate the charity. The charity has a couple of initiatives it funds in Portsmouth to support individuals and families going through the same thing.

6. **Chairperson's Charity Award (£250)**

The Lifehouse: this not-for-profit charity is a practical resource and support centre for those in need living in Portsmouth and Southsea. They have experienced, like-minded, volunteers developing the LifeHouse in providing Sign-Posting Services to vulnerable men and women and targetting the issues of homelessness and addiction locally. They aim to create an environment of compassion and care, where people feel they belong, are accepted; and where they can build a sense of self-worth and confidence.

7. **Club Awards**
   1. Ian Morrison Award for the member who has attended most HRRL & SCCL races this year
   2. Most Improved Male and Female runners
   3. Chairperson's Award
   4. Outstanding Achievement Award
   5. Joggers' Jogger Award for the person who has done most for the benefit of PJC this year (voted on at the AGM) Nominations are:-

i. Katie Hall -
- “I would like to nominate Katie for stepping forward to be membership secretary, which turned into needing to join the committee, also stepping up to be ladies HRRL captain, always one of the first to share race details for both HRRL and SCCL, encouraging others to join races, and stepping up to complete LiRF and be group leader.”

ii. Sue Hyson -
“I would like to nominate Sue for this year’s joggers jogger award in recognition of the exceptional contribution she makes across so many aspects of club life. As Club Secretary, Sue is the engine behind the scenes, ensuring everything runs smoothly and efficiently. Much of this work goes unseen, but it is absolutely fundamental to the success and organisation of the club. Her attention to detail, reliability, and commitment keep things on track week in, week out.
Beyond this, Sue gives generously of her time to support and develop our runners. She leads both the Couch to 5K programme and the Next Step group, playing a key role in welcoming new members and helping them build confidence, fitness, and a sense of belonging within the club. Her encouragement and inclusive approach make a real difference, particularly for those who are just starting out on their running journey. Sue also actively supports the development of new run leaders, offering guidance, reassurance, and practical help to those undertaking leadership training. This not only strengthens the club now but helps secure its future. On top of all this, Sue brings people together in the small but meaningful ways that build a strong community - not least through the legendary cakes she provides for committee and club meetings. Sue embodies the spirit of the club: supportive, dedicated, and quietly making a huge impact. She is thoroughly deserving of this recognition.”

iii. Joy Barker -
She has turned up at every single cross country race not just this season but got the past couple of years, and takes the numbers down and welcomes us back with a cheery welcome. She has also helped out with paper cups, sugars and stirrers for the past couple of years for the pub to pub. Generally a very lovely lady who is always willing to help when the need arises.

iv. Irene Cruickshank -
Irene has been a Pompey jogger for 30 years now. During this time she has represented the Club on numerous, too many to mention, runs. She has completed 40 marathons. This last year alone to celebrate her birthday we did the new forest trail marathon, she has just completed the Brighton marathon in an amazing time of under 5 hours. She did the Bath half this year and was first in her age category (no she wasn’t the only one!) with a super fast time. She is definitely going from strength to strength so thoroughly deserves this award. All in all a genuinely lovely lady with a fighting spirit who has achieved so much.

v. Nicky Lake -
In spite of all her health problems she has remained positive and hasn't given up; epitomising the true spirit of Portsmouth Joggers Club.

8. **Committee Elections**
Pete Birch, Sarah Stone, Ally Smith and Chris Ellis are all standing down from the committee.

Nominations for the 2026/27 committee are:

1. Chair: Kate Lewis. Proposed by Sue Hyson, seconded by Chris Ellis
2. Treasurer: Gary Lamb. Proposed by Chris Ellis, seconded by Pete Birch
3. Secretary: Sue Hyson. Proposed by Pete Birch, seconded by Ally Smith
4. Vice Chair: Sue Clarke. Proposed by Paul James, seconded by Steve Hyson
5. Membership Secretary: Katie Hall. Proposed by Steve Hyson, seconded by Kate Lewis.

Committee Members:-
