Chairperson's Report (given by Kate Lewis)

We've had another great year at PJC. This has been my first year as chairperson, so thank you to everyone for bearing with me whilst I found my feet. Hopefully my total confusion in the first couple of months wasn't too noticeable!

The number of club members has continued to creep up over the last year, and we managed to break the 300 barrier for the first time since the pandemic. This is a testament to the hard work of the committee, group leaders, and team captains (and the website team – more on this shortly) for creating such an inviting atmosphere. There is more work to do here, as the amount of running clubs in the area continues to increase,

especially in Southsea. It would be fantastic to continue this trend and see the club hit 400 members by the time I'm back here delivering this report next year.

You may well have noticed that our membership fee has increased slightly this year, from £12 to £15 annually. This decision was not taken lightly but, thanks to inflation, the increasing cost-of-living, and changes from EA, our outgoings have risen. We hope you agree with us that £1.25 per month is still a bargain price, especially if you compare it to the cost of a gym membership. The individual EA affiliation fee has also increased very slightly this year too, for £19 to £20. For anyone who enters races regularly, or likes a discount on their kit, this is still well worth the cost as you quickly recoup your outlay. However, if the cost of PJC membership is a barrier to participation for anyone, please speak with one of our welfare officers (Sue C or Simon) – we have a welfare fund available for exactly this. We want everyone to be able to take part in our club, whatever their financial circumstances.

Speaking of which, this year saw the introduction of Equality, Diversity and Inclusion officers to the committee. Emma and Sarah have proved themselves incredibly useful to the committee, offering advice on how to approach issues, how to word communications and policies etc. Their goal is to increase inclusivity in the club, and to do this the first thing they need to know is how people are currently feeling. That way they know what works, what needs changing, and what new things we can introduce to improve our inclusivity. To that end, they have developed a survey that has gone out to group members to gather their ideas. If you haven't completed it already, please please please do so. There are handily some QR codes dotted around this evening – simply scan one of these and they will take you straight to the survey. The ladies have worked incredibly hard putting this together, but it will only be successful with your input. If this has sparked your interest and you would like to help with improving EDI in the club, have a chat with Sarah. We'd love to have your help.

Ok, onto running stuff… The C25k programme has continued to run successfully throughout 2024/5. Thanks to Tony, Sue and Sue for the hard work they put into this. The club put on three races in 2024. The Purbrook Ladies' 5 sold out in hours, and the summer cross-country was only a handful of entries away from selling out. Both were profitable, and half of profits were donated to local charities in both cases, along with any donations collected on the day. The Pub2Pub did not sell out, but still managed to raise a significant amount of money. All proceeds from this race were donated to the Rowan's Hospice. It is so great that the club is able to support the local community in this way. Looking ahead, the Ladies' 5 is already sold out for 2025, but there are still places available for the Summer Cross-Country. Please sign up if you can or, if you are not able to run, we are always on the lookout for marshals to help the race run smoothly.

Continuing on the race theme, we have continued to have excellent attendance at Hampshire Road Race League races this season. As one of the captains, it has been an honour to turn up to races with teams of 20-30 PJCs, all super enthusiastic and eager to represent the club. There are four league races left of the 24/25 season. Note that if you take part in four races you will be awarded with one of out specially designed pin badges. So what are you waiting for – best get yourselves signed up to those four! The Southern Cross-Country League teams didn't manage to hit the numbers we had at the previous season, which was a shame. This was probably not helped by some very last-minute organisation from the league organisers, but equally there seemed to be a lack of enthusiasm for XC from the club this year. Hopefully we can change that ahead of the 25/26 season.

You may well have seen, or heard, that this year has seen the launch of our brand-new website! This was much needed; the old website was clunky and hard to keep up-to-date, and the new one was designed to remove these issues. We had an amazing team working on shutting down the old site, developing and launching the new one, and now managing the content of the new site. The club cannot thank you enough for the amount of time and effort you have put, and will continue to put (I hope!), in. The new site is a work in progress, and we will continue to update and develop it. If anyone is suddenly thinking "wait, I have, or would like to have, the skills to update the website and would like to help with this" please speak with Sue H. We're always looking for more members for our techy team, as Sue has named them.

In the last few months, the club has had to make some changes to how our groups are led. England Athletics, with which the club is affiliated, have made changes to their requirements. It has now become mandatory that all group leaders are qualified group leaders or coaches. In order to become qualified, you must complete modules on effective leading, running physiology and biomechanics, first aid, safeguarding, diversity and inclusivity. Completing the leader qualification therefore ensures that leaders know how to keep runners safe, as well as how to coach running skills, of course. Luckily, a significant proportion of our leaders were already qualified, and over the last couple of months we have been working hard to ensure the remainder gain their accreditation. I want to extend a huge thank you to all the group leaders for being so amenable, and for giving

up their time to complete the leader qualification. I would also like to thank all the leaders who were already qualified for being flexible in covering groups in the short term. Finally, thanks to all of our members for being so patient with us. Normal business will resume very soon.

A few more thank yous…. The amazing committee – you have made me feel so welcome this year. Thank you to all the hard work you put it, seen and unseen. The club couldn't exist without you, and I would not have gotten through this year! Emma Boakes has made the hard decision to step down from the committee this year, and I would like to thank Emma for everything she has done in initiating our EDI development.

Thanks to anyone who has organised a club run or activity over the past year – these events really help foster a sense of community within the club, and are always a pleasure to be part of. Thank you to our Race Directors and Team Captains – again, your input is so important in creating community, and in making sure the club is represented in the Hampshire running scene.

Ok, you'll be pleased to know that it's time for the 'and, finally…'. Really excitingly, PJC has a BIG birthday next year. Yes, PJC will hit the big 5-0. We want to make it a year of celebration; think merch, a party, special events/group runs, and a birthday race! We are looking to put together a working group to help organise these. There are already a few people that have expressed their interest, but if you would like to be part of this group, please speak with Sue H. This group will sit outside the committee, and the more people involved the better. I can't wait to see what you all come up with!

Treasurer's Report and Accounts (given on behalf of Gary Lamb)

The auditor has approved the accounts. The treasurer's report is reproduced below.

PORTSMOUTH JOGGERS CLUB 2025 AGM
TREASURER'S REPORT

The financial position of the Club remains healthy. We generated £18,627 of income, whilst expenditure was £16,971, making a profit of £1,701. We ended the year with just under £8,600 in the bank which gets us back to 2023 levels.

The income generated is 50% higher than 2024 and 33% higher than 2023. This is mostly due to three exceptionally well attended races which included running the Pub 2 Pub in December 2024, after its year hiatus in 2023 and a sell-out Purbrook Ladies 5 with full entry income received in March this year. Thanks to all the race directors and all that supported them. We have also had a 70% uplift in club kit sales due to Chris's sales drive and a stock refresh. Membership income has also increased by 11% with thanks to Davina for all the hard work this entails.

The overall expenditure has remained pretty much stable from 2024 however this hides the efforts of the race directors to streamline spend, a reduction of 24% from last year. This allowed us to buy £1,700 of club kit and increase charity donations by £1,000 to £4,456 without effecting the total spend. Operating cost increased slightly from last year mainly due to LiRF training for group leaders. Due to the amount we spend with UKA it has been given its own reporting line.

Going forward we are very aware that costs are on the increase and next year we have a very special celebration for the club. To support this and maintain the club financial security for the future the annual membership fees will be increasing from £12 year to £15.

As a first-time treasurer I would like to thank all the committee members for their help during the year, Steve for getting me up and running on the computer, Noemi Sarkozi for a smooth handover, everyone who supports the club out of their own pocket before a timely (mostly) refund (but only with a receipt) and Wayne Layton for auditing the accounts. Finally, I would like to give a special thankyou to our club secretary Sue who has been my go-to person for almost all of my queries.

I recommend these accounts to Club members.

Club 50th Birthday Celebrations Sub Committee

As Kate has already said in the chairperson's report we are celebrating a very special birthday next year and would like to set up a sub committee to organise and run the celebrations. Please contact Sue H if you are willing to get involved in helping plan, organise or run the celebration activities.

A WhatsApp group will be set up – people will be added as they come forward and a kick off meeting will be held asap to get things moving.

Please would anyone interested in getting involved contact Sue H. So far those who have come forward are :- Tony Conway, Pete Coote, Ally Smith, Katie Hall, Garry Batten, Irene Cruickshank, Helen Sumbler and Steve Hyson.

Motions: Five to consider

Motion 1 - Nomination for Life Membership to be awarded to Tony Conway. Nominated by Davina Glading, seconded by Steve Wooldridge and endorsed by the Committee.

Tony has been a PJC member since Nelson's parrot was an egg, he is a long time member with unbroken tenure. In this time, Tony has not only represented the club internationally, but nationally, and in leagues also. Tony has raced in ultra distance events, yet also been a real champion of C25K folks starting out – and everything in between.
Tony is the race organiser of the Pebbledash every year, which unites runners and walkers after the Christmas excesses for a brutal leg stretch. The medals are, in themselves, a challenge for Tony to supply, this must take some time.
Tony also motivated the Malta cohorts for several years with the training plans and accountability, all to make sure that the PJC teams were well trained and ready to run the half, or full marathons. A wonderful supporter (and runner) for Malta over the years.
Tony also is a wonderful support for the Ladies' 5 training runs, with whooping people around the course in the months leading up to the actual race. He loops back and picks up the slower runners also with beautiful enthusiasm and non-patronising encouragement.
There are also the all-club runs where Tony unites the entire PJC community, including the Remembrance run. These are great fun, and all levels encompassing. Tony *never* says anyone is "slow" or excludes anyone – he is just the epitome of PJC ethos. Then, of course Tony is a Group Leader for the "mad-as-a-box-of-frogs" fast group.

Motion carried unanimously.

Motion 2 - Nomination for Life membership to be awarded to Bob Maguire. Nominated by Ally Smith and seconded by Sue Clarke. Bob has been a jogger for over 40 years. He has run the marathon training at Mountbatten Centre for as long as I can remember. He is very encouraging to others to help them achieve the marathon distance. When running races he always waits and runs alongside us to make sure we are ok to finish, even though he could finish a lot earlier than us. All in all a true gentleman.

Motion carried unanimously.

Motion 3 - Charity Request (£250) from Russ Tullett for Sophies Legacy, they do amazing work at the hospital to make parents and children's hospital stays a little more tolerable. It's a charity he ran WD200 for last December.

Motion carried

Motion 4 - Charity Request (£250) from Helen Sumbler for Purbrook Infant school PTA (registered charity) to sponsor a colour run we are planning. The donation would cover the cost of each child receiving a medal. And may get them running (would also put a special mention of Portsmouth Joggers on poster etc).

Motion carried

Motion 5 - Charity Request (£250) from John Shepherd for Creative Advances who are day support and outreach services, for adults with learning disabilities and autism.

They run from Derby Rd, Portsmouth, Buckland United Reformed Church. They also have a small farm holding in Catherington Lane where some of their attendees go to clean out and look after the chickens, goat, lamas and ducks. My daughter goes to the farm one day a week and loves going there. A donation would help to keep the farm and workshops going.

Motion carried

Additional Charity Award - Chairperson's Charity Award (£250) - this will go to Portsmouth Foodbank.

Club Awards

The following 6 awards were made.

- **Ian Morrison Award**. This award is made to the member who has attended most HRRL and SCCL races in the year. This year it goes to Tony Quinn.
- **Most Improved Male and Female.** This award is given to the joggers who have been judged to have made the biggest improvement in their running in the year. Group Leaders were asked to nominate members from their groups and the committee voted on the overall winner. The group leaders' nominees were given small awards and the overall winners were presented with the shields.
    - Racers – Kate Lewis and Tony Conway
    - Pacers – Alice Hunter and Craig Lodder
    - Pace Cadets – Bryony Rogerson and James Elkins
    - Endurance – Lisa Kernot and Lewis Clarke
    - Inbetweeners – Emma Boakes
    - Next Step – Jenny Larkham and Martin Wiles
    - Races (HRRL and SCCL) - Pauline and Paul Jeffrey
    - **Overall Ladies Winner** – Jenny Larkham) Both awarded the overall winner for the way
    - **Overall Men's Winner** – Tony Conway) they have come back from major setbacks
- **Joggers' Jogger.** This award is voted on by the members at the AGM. This year it goes to Sue Clarke for "Sue is always in the mix of things helping the club, either on committee stuff, race directing, group leading, and volunteering wherever she is needed. She does all of this not because she feels it's her duty, she does it because it feels right to do it. And she likes to keep her wellness bucket nice and full." "She does so much for PJC that I'm not sure she gets the recognition for - she's an RD for the summer xc, a run leader, she helps organise the mince pie run, and she has taken on the roles of welfare officer and vice-chair. On top of that she is always so welcoming and happy to help our members, new ones and old ones."
- **Chairperson's Award.** This award is given by the chairperson as a thank you to the person who has done most to help them. This year it is shared by Vinh-Dieh Lamb and Rich Boakes for the way they have supported the club with running the old website and the MS365 accounts and in designing, building and launching (and we hope continuing to maintain) the new website.
- **Outstanding Achievement Award.** This award will be given at club when the recipient is next in attendance. (for the purposes of the record it is awarded to Russ Tullett)
