PORTSMOUTH JOGGERS CLUB 2026 AGM

TREASURERS REPORT

In 2025/26 the club income was £23,266 (£18,672) and the expenditure was £26,402 (£16,971), which resulted in a loss of £3136 and a final bank balance of £5452.

Firstly, the increase in income and spending. This was mostly due to 3 extraordinary events. We had a payment in error from Race Sign Up of £2427 which was then refunded. We had the income (£1570) and spend (£2843) of the 50th Anniversary shirts and finally, to save money, we purchased the SXC medals (£956) in advance with the PL5 medals. This accounts for an additional £3997 income and £6226 expenditure.

Secondly the loss, despite having two positive payments to our accounts in 2025, £900 for the increase in membership fees and £1035 from the GSR going ahead. Two of the three main causes were decisions, subsidising the 50th Anniversary shirts £1273 (£8 per shirt) and purchase of the SXC medals. However, the third factor was unforeseen and uncontrollable, the 2025 SXC making a loss, despite being the star performer in 2024 netting the club and charity £850. Two issues caused this, firstly the cost of medals increased and secondly the number of entries declined. Congratulations to the race directors for making proactive changes for 2026 to attract entries and for buying the medals in advance saving over £600.

Some highlights for the last financial year. Congratulations to the directors of the PL5 and P2P which continue to go from strength to strength with the PL5 making a record £950 for the club and the same again for the charity compared to £660 last year and the P2P making an additional £300 for charity. Seven more members agreed to become LiRF qualified run leaders to maintain the bi-weekly club run groups and we kept charity donations at around £4500, approximately 25% of our total income.

Looking forward to this financial year we already have over 200 paid-up members and a sold out PL5. We will need to support more 50th anniversary celebrations and I will look to improve financial info to the committee to ensure the club maintains a financial healthy state.

Thanks to the committee members for all their help during the year, to the members which support the club out of their own pocket in advance of getting a timely refund and to Wayne Layton for signing off the club accounts again.

I recommend these accounts to the Club Members.

Gary Lamb, Treasurer.
